## **New *Christian Visitor* schedule**

The newsletter will now be printed on or about the 15th of the month. This will begin with the August edition. I'm sending this calendar out so you at least have some of the information that you will need to plan through the middle of July. I will try to send out more communique's with upcoming events.

I will be undergoing whole brain radiation treatments during the later part of June into the middle of July. Please pray!
