It can be something purchased such as McDonalds, Pizza, etc. They would be in charge of calling ahead and having it ready for the kids. Also meals like taco in a bag, lunchmeat, cookies, chips, pop etc. would be good. We just don't want to take a grill and cook on site at the competitions. Boosters will pay for food & drinks. Boosters have in the past also given the students \$5.00 to buy something. Dates meals would be needed are:
