## Tyrian Lodge #73 A.F. & A.M. From the East

Thanks to everyone for giving me the opportunity to be Master of Tyrian Lodge for the year 2006. The year 2006 is going to be a year where we turn the lodge around and have more brothers at each meeting and end the year in the black financially.

The officers for 2006 are ready to go to work and perform the necessary degrees but also to work on making the meetings a little more exciting. We will try and bring something different to each meeting, we feel that a meeting can be interesting and not just to read the correspondence and pay the bills. To make this a better year I do not want the officers doing all the work, but different brothers doing the different functions.

One of the ways that I believe that we can improve attendance at the meetings is by communications. To this end I want to start a calling tree, where one brother can call a few other brothers and keep them informed on different things happening at the lodge. The next thing that I want to see is both a big brother attitude and don't come to lodge alone but be a big brother and bring a brother with you. We have a lot to do this year with Ladies Night, our annual Dragonfly Program, the annual Pig Roast, and I want at least one fellowship night along with the programs set up by our fund raising (activity) committee.

If we all work together the load will be light on everyone and we can accomplish a lot. As JFK said in one of his speeches "Ask not what your country can do for you; ask what you can do for your country". I would like to turn that around and apply it to our lodge by saying "What can I do for my Blue Lodge instead of what can My Blue Lodge do for me". Let us remember that we started in the Blue lodges and this is the bases from whence all the other Masonic lodges are built, so lets everyone support not only Tyrian Lodge but all blue lodges.

Fraternally,

*Wor. Jeffrey L. Breton*  
Worshipful Master Elect
