Tyrian Lodge #73 A.F. & A.M. From the East

Brethren,

April always seems like a month that things seem to come to life. With spring we see the grass turn green and the trees again adorn themselves with leaves. This is also the month of Easter and the celebration of the resurrection of our Lord.

Some of the things that we need to remember this month is our stated on the 13th and remember that we all need to bring a brother to lodge with us. This is Circus time for the Shrine, they need our support, and rather it is in helping or just attending the circus.

On the 20th of April we will be holding our annual Past Masters night. The Past Masters will be working the Master Mason degree on Brother Joe Lemm. The Past Masters do a good job at working this degree and they would like to have a large attendance to observe them doing the work.

The end of the month Ancient Brothers will be hosting the District Meeting with a supper and the Master Mason school of instruction. This is a time when the officers learn the proper procedure on how to do the Master Mason degree.

Last month we were given the ok to install a lighted sign in the front of the lodge. As soon as the ground thaws enough to dig a hole I will be installing the sign.

At our stated meeting in May we will be hosting a vintage auto night. Anyone with one of those vintage autos, this is the night to show it off and drive it to the lodge. Also all those of you who are a little rusty on the signs and symbols of Masonry, this will be the night to come to the lodge, as we will be working a rusty nail degree. This is short degree but it is a chance for the Members who haven't been to Lodge in a while, to come and revisit the workings of a Lodge.

Fraternally,

Wor. Jeffrey L. Breton
Worshipful Master

St Andrews Royal Arch Chapter No.51

Companions,

Thank you to all who came to the last meeting. I was pleased to see the support for our Chapter. Our next meeting will take place April 19th with a casserole supper before the business meeting. We will be working the MEM degree on that evening so I hope we will have a good turn out.

Devote yourself to something or someone and honor that choice, no matter what." _ Cherie Carter-Scott Ph.D.

Fraternally,

Tim Bennett, MEHP

Did You Know?

Monday, April 10th is Patriot's Day. The earliest observance of Patriot's Day was in 1894. Patriot's Day commemorates the battle of Lexington and Concord which were fought on April 19, 1775. Part of the history of this famous revolutionary battle was the midnight ride of Paul Revere and William Dawes. The Sons of the American Revolution in Massachusetts were largely responsible for the official recognition of the event. Today only a few states recognize the holiday; however, its celebrations are known by many. Besides several reenactments of the famous midnight ride, there are other festivities including professional baseball games and the running of the Boston Marathon.
